HOUSE BUDGET AMENDMENTS NOW ONLINE

<http://www.state.ma.us/legis/05budget/house/amendments/index.htm>

For the first time in the long history of the Massachusetts House of Representatives, amendments to the budget are now online. This year, representatives are required to file their amendments electronically. As the amendments are received by the House Clerk's office, they are assigned a number and posted on the House of Representatives' website. The amendments can be accessed at: <http://www.state.ma.us/legis/05budget/house/amendments/index.htm>.

When the budget debate begins on April 26th at 10 A.M., the citizens of Massachusetts will be able to follow the progress of any amendment. The House Clerk's office will continually update how action on the House floor affects each amendment.
